T-BALL GENERAL INFORMATION

1. T-Ball is strictly an instructional program.
2. No score is kept at games.
3. If games must be postponed due to rain, coaches may call the Park District Hotline **(223-9625)** to get information on the games (A message will be recorded after **4:00 P.M.**), or check our website at www.quincyparkdistrict.com. Check the respective date and there will be a message posted if the games are cancelled. Please do not call the Main Office.
   All rain out games will be made up as soon as possible or the next two weeks after regular scheduled play.
4. The only equipment a player will need is a glove.
5. Parents/Guardians will be requested to volunteer as chaperons to help us at games.
6. If any players need to be placed on a team together (for car pooling or any other relative reasons), please indicate on registration form. Every effort will be made to meet these requests.
7. Information on team rosters will be given to coaches/chaperons or will be available at the Park District office.
8. Master Schedules for the regular season may be picked up at the Park District office**.** The coaches only are asked to pick up the schedule for their team.
9. All players will be allowed to bat and be in the field every inning.
10. Kids will be given 5 pitches from coach and if don't get a hit off the 5 pitches will hit off the tee.
11. Games will be scheduled for **3 innings.** No games will be more than 1 hr. and 5 min. in length. unless inclement weather dictates otherwise.
12. Teams will play an 8-game schedule.
