FRIENDS OF THE TRAILS

The Quincy Greenway & Trails Plan was created to preserve greenways in the community and to increase the number of multi-use trails throughout the city. Friends of the Trails was organized to help implement this plan. Currently, Friends of the Trails serves as the leading fundraising organization for the completion of the Bill Klingner Trail.

PHASES OF THE TRAIL

The trail will be constructed through six phases. Development of the first phase began in 1994, and the entire trail is projected to be completed by 2024.

The first and second phases are complete. Construction of the third phase is slated for the spring of 2018.

INVEST IN THE COMMUNITY

We invite you to partner with us to complete the Bill Klingner Trail. Your pledge is eligible as a 100% tax-deductible investment into our community.
