YOU
can make a
difference
in our
community!

Please help us
Complete
Cedar Creek

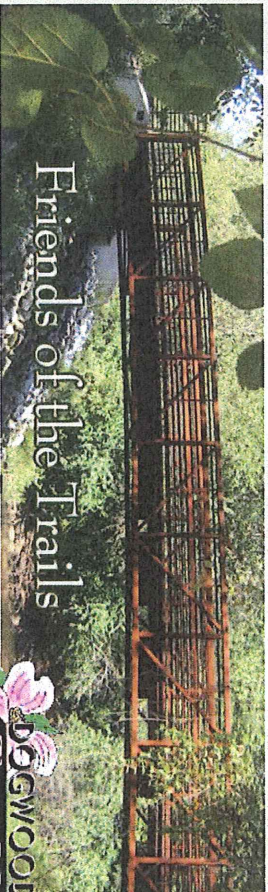

Complete Cedar Creek

The Quincy Park District and the City of Quincy, along with Great River Economic Development Foundation (GREDF), Quincy University, Quincy Bicycle Club, John Wood Community College, and the Quincy Park Foundation, Inc. joined together to create the Quincy Greenway & Trails Plan in 1999. This Friends of the Trails was organized shortly after to help implement this outstanding quality of life improvement for our community.

The Cedar Creek Corridor is a major element of the Quincy Greenway & Trails Plan. The Adams County Greenway & Bikeways Plan was adopted by the Adams County Board in 2006. The Cedar Creek Corridor was included in this plan. According to the Plan, Cedar Creek Trail is to be constructed from Bonansinga Drive to 36th & Kochs Lane. The next section to be built from 12th to 5th Street will require us to raise no less than \$500,000 cash and pledge commitments from area families, businesses, and organizations before December 31, 2014. These funds will be applied directly toward trail construction. Our efforts will allow the Quincy Park Board to work toward securing matching funds and grants and help make completion of the entire trail from Bonansinga Drive to 36th Street a reality.

We invite you to partner with us by making a 100% tax-deductible investment in your community. Pledges may be paid in monthly, quarterly, annually, or in one single donation.

Complete Cedar Creek will provide years of outdoor activity and family fun for residents by adding new and improved amenities and access to this community asset. You can be part of the transformation!
