(Group/Organization)
subcontractors.

Description of event:

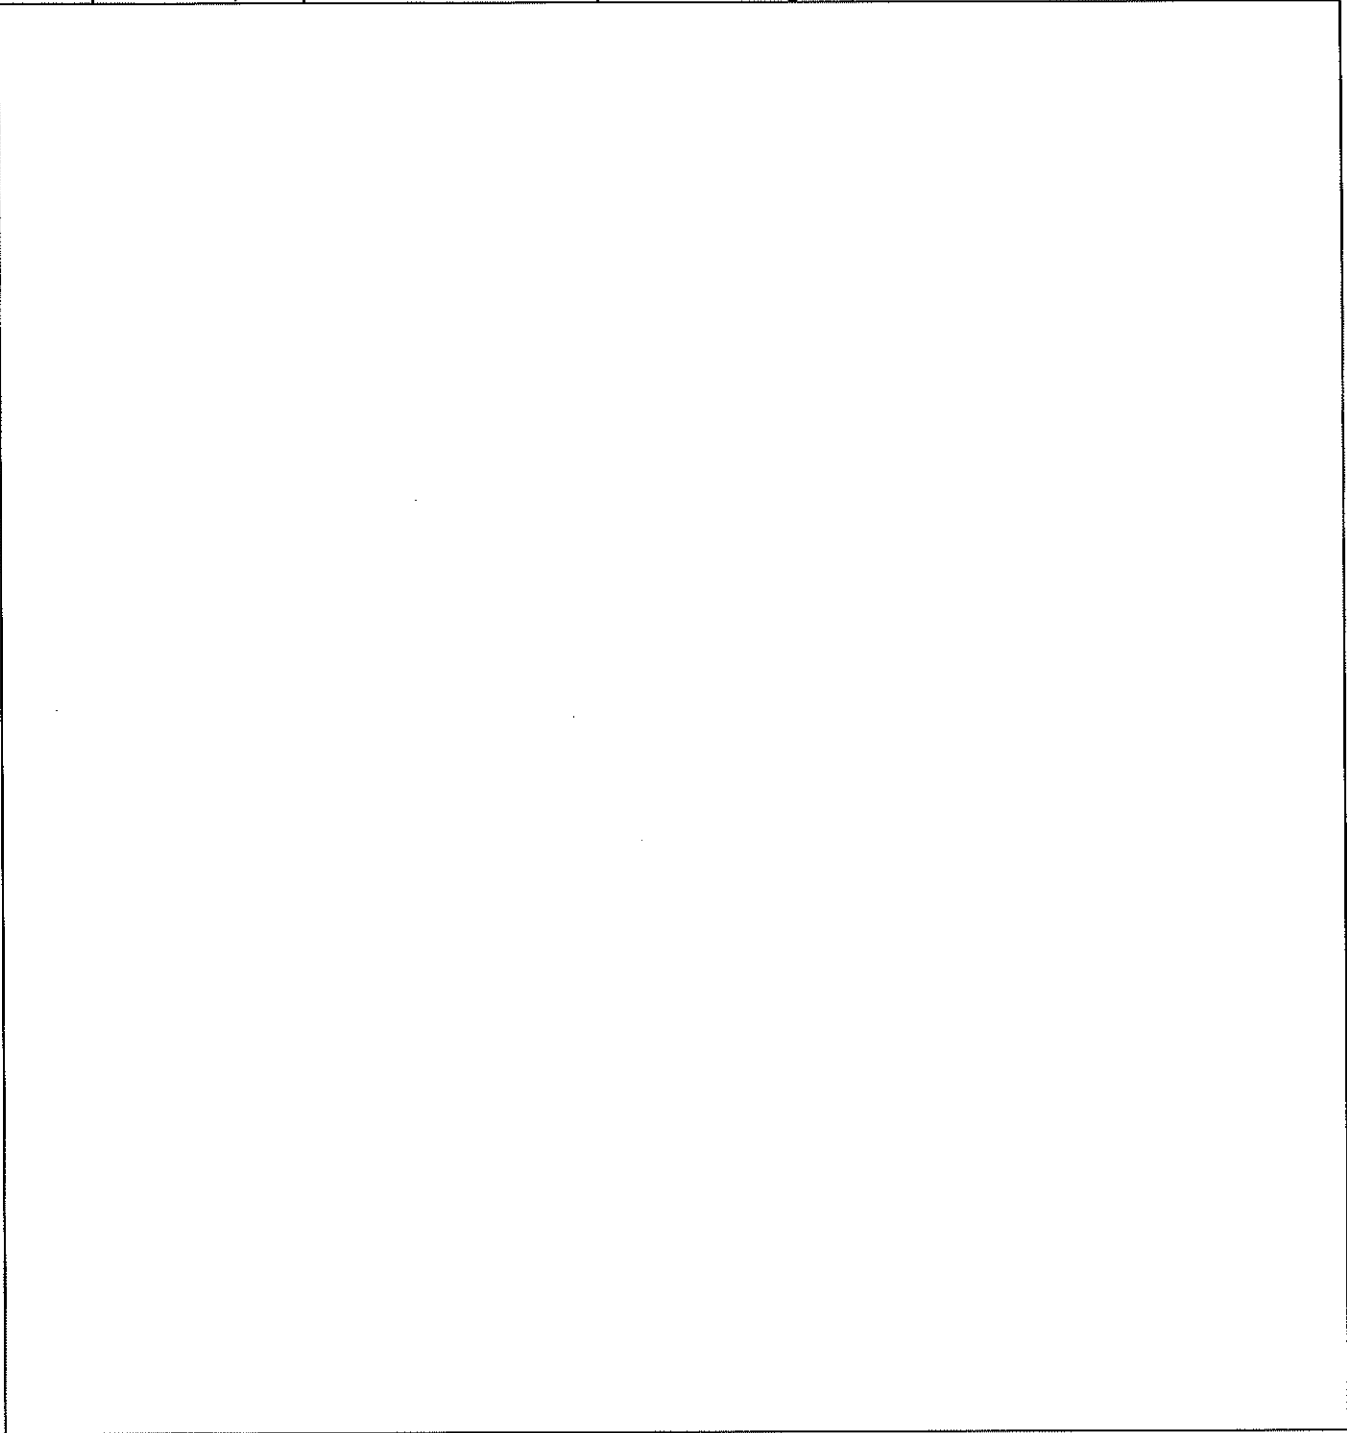

Print name of authorized Group/Organization Representative

Signature of authorized Group/Organization Representative

Date: _____

Site Plan

In the space below, complete a sketch of site. (Or attach a diagram)

-Record: Tents, toilets, vendors, bandstands, alcohol service, fencing, gates, rides and any other significant feature of the site.

-Indicate north and at least one bordering street for orientation.

-Use the back of the form for comments, if necessary.

Note: You must have 1 toilet for every 200 attendees, 10% must be handicap accessible (min. 1)

Event Impact Assessment

Name of Event: _____ Date of Event: _____

The impact your event has on the residences and businesses in the area is an important consideration in planning your event and will be considered in the approval process.

The event organizer must consider the impact of the crowd, parking, and traffic on the area near the event when planning the event.

When appropriate, event organizers should inform and coordinate with local businesses that may be adversely impacted by the event. For very large events, bus transportation from an appropriate and approved parking facility may be appropriate.

Event organizers should take steps to prevent event attendees from utilizing private parking unless the use has been approved by the owners.

Steps include:

- Show the approved parking area in the event advertising.
- Using event staff to guide cars away from private parking that may be likely to be used by event attendees.
- Coordinating with the private lot owner's to utilize the private lot.

Impact Assessment:

Based on the expected event traffic we expect: (Check One Box)

1. Nearly all traffic will be accommodated by the parking available in the park.
2. A large number of event attendees will be parking on off park site, but sufficient public parking is available.
3. Traffic will far exceed the capacity of the park and nearby public parking. Additional planning is required.

List the steps your event will take to reduce the impact on nearby businesses and residences.

Note: A significant adverse impact on park neighbors may result in disapproval of the event at that site in future years.

ENTERTAINMENT/VENDOR CONCESSIONAIRE LIST

Name of Event: _____ Date of Event: _____

List all entertainment that will be performing at your event:

Group Name	Type Entertainment	Address	Phone

List all vendors and concessionaires that will be attending your event:

Vendor Name	Type of Service	Electricity Yes/No	Address	Phone

Notes: A fee will be assessed based on vendors using electricity. The fee will be charged to the event organizer as part of the overall event fees. If there is a change in the number of vendors using electric, the event organizer must notify the Quincy Park District.

Electrical Service Changes - any additions or changes to the District's electrical service must be approved by the District and will be at the event organizer's expense.

ATV/Golf Cart

Will you be using a golf cart or ATV at your event? YES NO.

If yes; please read all of the guidelines and sign below.

Guidelines for ATV/golf cart use within the Quincy Park District

- 1) Only licensed drivers 16 years of age and older and listed in the special events package will be permitted to operate/drive ATV's/golf carts during any event held within and/or co-sponsored by the Quincy Park District. The event organizer will be responsible for the use of the equipment.
- 2) The speed of the golf cart/ ATV is to be limited to no more than 8 miles per hour while on Park District Property. Speed must be appropriate for the amount of pedestrian traffic in the area.
- 3) RECKLESS DRIVING AND/OR EXCESSIVE SPEED WILL NOT BE TOLERATED.
- 4) Operation of vehicle while under the influence of alcohol will not be tolerated. No open containers of alcohol are allowed.
- 5) Parking plan for golf carts/ATV's needs to be noted on event diagram.
- 6) Golf carts/ATV's are to be turned off and the keys immediately removed from the golf cart/ATV once it is parked with the breaks engaged to help prevent unauthorized movement/use.
- 7) Park on flat level ground and in such a manner that if the brake does become disengaged the cart/ATV WILL NOT ROLL on its own.
- 8) Refueling, if needed, is to be done on pavement only. Fuel is not to be stored on Park District grounds.
- 9) Number of riders is not to exceed the design limits of the ATV/golf cart.
- 10) If the event organizer wishes to use a vehicle other than a golf cart the vehicle must be approved by the Director of Parks.
- 11) Spot checks by park rangers and/or other park district personnel may be conducted during the event.
- 12) Failure to comply with these guidelines will result in the loss of the privilege of using golf carts/ ATV's at the event and any other future events held by your organization.

Responsible Party

Date

Driving on Grass Permit Request

If due to the nature of your event, you feel driving or parking on the grass is necessary for your event you must request a permit in writing below. This permit in no way limits the organizer's responsibility for damages of any kind, park terrain may be uneven with hazards.

ORDINANCE NO. 97-7

SECTION 29: PARKING LOTS AND ROADWAYS

No person shall drive any automobile, truck, motorcycle, or motorized vehicle within any of the parks of the District except upon the parking lots and roadways without permission of the Director.

Date of approved event: _____

Location of event: _____

Event organizer: _____

NOTE: One sworn officer is required if alcohol will be sold. Two sworn officers are required if attendance is over 500.

Describe security measures that will be used during this event:

Quincy Park District

Special Event Information:

Thank you for holding your special event in the Quincy Park District. This pamphlet provides information that will help you in your planning. Please read it carefully.

Requirements needed to host a Special Event. Special Park Use Permit Application completed, Certificate of Liability Insurance showing the Quincy Park District as additional insured needed, and fees will apply.

Reflect setup and cleanup time in your request. You may not have equipment in a reserved facility before or after your reserved times.

Plan for adequate toilets. The District requires at least 1 toilet for every 200 attendees. 10% must be handicapped accessible (minimum of one).

Quincy Park District must approve any signs placed in Parks. Signs may not be put up before the approved date (ordinarily no more than one week prior to the event) and all signs must be removed by the end of your reservation period.

Do not use alcohol to promote your event. Quincy Park District policy prohibits using alcohol in advertising for the event. Listing someone as a sponsor is allowed, but featuring the price or amount of alcohol is prohibited.

Complete an Alcohol Sales Plan. If you will sell alcohol, complete the Alcohol Sales Plan in your special events application packet and get Quincy Park District approval.

Driving or parking on the grass is prohibited unless you have permission. Permission forms are available at the Quincy Park District office located at 1231 Bonansinga Drive. Permission to drive on the grass to load and unload is not permission to park on the grass; this must be specifically requested and approved.

All parks close at 11:00 PM. A written request must be submitted and approved if you will be in the park after hours.

Overnight stay is prohibited.

Plan carefully to avoid damage. You will be charged for any damage to the park caused by your event. If spilled, chemicals from portable toilets will damage the grass. Heat from cooking surfaces will also damage grass. Cooking surfaces are required to be a minimum of 6 inches off the ground.

Do not dig or drive stakes without approval. The location of tents, temporary fencing etc. must be coordinated with the Quincy Park District. Water, sprinkler, and electrical lines run under many park locations. Digging or driving stakes in unapproved locations could cause damage for which the event organizer will be required to pay and could be dangerous.

Plan your electrical use. District electrical outlets are 110v, 20 Amps. Exceeding the 20 amp limits will cause the circuit breaker to trip and is unsafe. Check on participant/vendor electrical usage and plan vendor locations so that the 20 AMP limit is not exceeded. Any changes to Quincy Park District electrical service must be approved by the Quincy Park District and be performed by a licensed electrician. Several event organizers have contracted for a large capacity portable generator to meet their needs.

Complete a site plan. Complete the site plan included in your application packet.

Safety: Make safety a part of your event planning process. Appoint a safety coordinator or committee and consider safety issues as you plan your event. Some common safety considerations are:

Trip/Fall Hazards. Plan the routes of cords and the location of tent stakes and ropes to provide a clear path of travel. Any hazards that cannot be eliminated should be clearly marked.

Severe Weather (Lightning/Wind):

Designate someone to monitor the weather before and during your event. Plan when you should cancel or suspend your event. Remember, if you can see or hear lightning you are in danger of being struck. If you have fenced the park to control entry – make certain you have a plan to empty it quickly. If necessary, consider designating teams to open additional exits.

Fencing: Do not leave “bare” fence poles in the park. Plan your work so that the fence is attached as the poles are put up. Bare poles are considered a hazard as park users may run into them, causing injury.

Coordination Meeting:

A coordination meeting with Quincy Park District representatives will be scheduled for 1 to 2 weeks in advance of your event. At that meeting, the locations of any tents and equipment can be coordinated along with any other issues that pertain to your event.

The Quincy Park District is committed to helping you have a successful and safe event. Please let us know your requirements and we will do our best to meet your needs.
