

PARK DISTRICT REFERENDUM

Quincy Park District REFERENDUM Fact Sheet

Why does the Quincy Park District want to sell Lenane Park? (2600 Bonansinga Drive)

Lenane Park is underutilized. The Park District would like to use the proceeds for the purchase, development or improvement of park property.

Will selling this property increase my tax bill?

No. The property sale will not impact the Park District tax bill.

What will happen to the property after the sale?

There is an irrevocable pledge on the parcel for a minimum sale price of \$65,000. A public auction would be held in February of 2021.

How much park property does the district have now?

The Park District has 30 parks totaling 1,012 acres; 27-Hole Golf Course, 15 Playgrounds and 1 Pool.

Why does the sale have to go to referendum?

To sell land over 3 acres, Illinois Park District code requires the sale question to be put to a referendum.

What will the question be on the ballot?

Should the Quincy Park District sell the following real estate: 7.5 acre, more or less, parcel of the W 1/2, NW 1/4, NW 1/4, Section 26, Township 1 S, Range 9 W, of the Fourth Principal Meridian, Adams County, Illinois (Permanent Index Number 23-7-0061-001-00), commonly known as Lenane Park?	Yes
