

**QUINCY PARK DISTRICT
COVID-19 PROCEDURES FOR YOUTH SOCCER**

- Soccer balls will be sanitized at halftime and before every game.
- Players will spread out on the sideline in their designated area.
- We recommend coaches wear a mask.
- Goalie shirts will be disinfected before a new player wears them.
- No handshakes will be allowed after the game. Teams can give a wave to each other after the game.
- No sunflower seeds or spitting is allowed by coaches or players.
- Players should bring their own water bottles and not share with each other.
- Fans should stay out of the designated area for players and coaches. They will need to bring their own chairs and social distance around the field. We recommend they wear a mask.
- Staff will wear masks.
- No dogs are allowed at Boots Bush soccer fields during games.
