BILL KLINGNER TRAIL HISTORY

THE 1946 COMPREHENSIVE PLAN FOR THE CITY OF QUINCY INCLUDED THE IDEA OF A PARKWAY SURROUNDING THE CITY. IN 1976, THE SCHNEIDMAN INDUSTRIAL PARK PLAN FOLLOWED THE COMPREHENSIVE PLAN BY PRESERVING LARGE GREEN SPACES AND DRAINAGE EASEMENTS WITHIN THE DEVELOPMENT. NEARLY 50 YEARS LATER, THE QUINCY PARK DISTRICT AND THE CITY OF QUINCY BEGAN TO LAY THE FOUNDATION FOR THE BILL KLINGNER TRAIL BY ACQUIRING PROPERTY AND EASEMENTS ALONG CEDAR CREEK. IN 1999, THE QUINCY GREENWAYS & TRAILS PLAN WAS CREATED TO PRESERVE GREEN SPACE, PROMOTE BIKING, AND OFFER WALKING TRAILS WITHIN QUINCY'S JURISDICTIONAL LIMITS. IN 2009 THE FIRST SEGMENT OF THE TRAIL WAS DEDICATED BETWEEN 12TH AND 18TH STREET, AND THE 5TH TO 12TH SEGMENT OF THE TRAIL WAS DEDICATED IN 2018. SUBSEQUENT TRAIL SEGMENTS HAVE BEEN CONSTRUCTED CONNECTING THE BOB BANGERT PART TO 24TH STREET.
