November 8, 2023

The President of the Board of Commissioners issued an order calling for a public hearing concerning the intent of the District to sell \$2,500,000 in General Obligation Bonds on October 11, 2023. The purpose of the General Obligation Bond Issue is to fund park improvement projects and equipment purchases. The order authorizes the November 8, 2023 Public Hearing and the required Public Notice, which was published in the local newspaper on October 25, 2023. A copy of the publication is attached.

The purpose of the General Obligation Bond Issue is to fund park improvement projects and equipment purchases. A tentative list was approved by the Board of Commissioners at its regular monthly board meeting on October 11, 2023.

The purpose of the Public Hearing is to inform residents of the District's intent to sell \$2,500,000 in General Obligation Bonds and to allow public comment.

A projected Bond Analysis showing the bond obligations of the District <u>after</u> the proposed bonds issuance is attached for your review. The District would have additional non-referendum bonding authority in the amount of \$1,892,394 after the proposed 2023 GO Bond of \$2,500,000.

The next steps in the process are to formally set the interest rate for the bond, and determine the amount of the bond sale. These are scheduled for Board approval during the regular meeting to follow. The 2023 General Obligation Bond Ordinance is scheduled to be presented to the Board of Commissioner for approval at its regular meeting on December 13, 2023.

Respectfully submitted, Brian Earnest Director of Business Services

ORDINANCE NO. 23-03: Authorizing the 2023 Property Tax Levy

Director Earnest stated the proposed 2023 tax levy ordinance is presented for your discussion only. The proposed levies for the 2023 property taxes only include aggregate taxes and are not for bond repayment. These taxes provide use for general service and operational expenses of the District. This levy in the amount of \$2,501,099 may increase the District's revenue by \$118,560 representing a 4.9% tax revenue increase. This is based on the EAV increasing by 5.6%. However the EAV is not expected and cannot be used for budgeting purposes. Staff has budgeted a levy amount of \$2,460,340 which may increase revenue by \$77,800 and represents a 3.3 tax revenue increase but a slight decrease in the overall rate. This is based on a 3.5% increase in the District's EAV and would result in a tax rate of .3181 versus .3916 for 2022. This proposed tax levy is in accordance with the directions set by the Board in the 2023 planning session to maintain a level tax rate. The final tax levy will be presented at the November Board meeting for approval.

The 1.18-million-dollar project calls for the lines being buried from Broadway to Hampshire. The \$350,000 would come from corporate reserves. We are in the midst of working on our budget so it's the recommendation of the Park District Treasurer to postpone taking any1 action at this time to give the District time to see what our corporate reserves are once the budgeting process is completed. Discussion was held about the donation. PRESIDENT JONES MADE A MOTION SECONDED BY VICE PRESIDENT PHILPOT TO SUSPEND THE RULES. UNANIMOUS. PRESIDENT JONES DECLARED THE MOTION CARRIED. Mike Mahair stated that this is a long term \$65 million-dollar project. He believes this project will be a catalyst to bring people to Quincy. Tieraney Craig from the Riverfront Development added that she believes this is a partnership and if the Park District doesn't want a partnership than the donation of Clat Adams Park would be a viable way to go. This is for discussion only.

FY 2024 Athletic Surface Fees

STAFF RECOMMENDATION

<u>AGENDA ITEM</u>: QUINCY RIVERFRONT DEVELOPMENT CORPORATION REQUEST OF \$350,000 IN FUNDING FROM THE QUINCY PARK DISTRICT TOWARDS THE BURIAL OF THE UNDERGROUND POWER LINES ALONG FRONT STREET

BACKGROUND INFORMATION: At the September 20th Riverfront Development Committee Meeting, their Board formally requested \$350,000 in funding from the Quincy Park District. This level of funding would be similar to both the City of Quincy and Adams County. To date, the City of Quincy and Adams County have both committed \$200,000 to the project. The additional \$150,000 from the City of Quincy and Adams County still need to go to both governing bodies for approval for the additional funding.

The \$1.18 million project calls for the lines to be buried in Clat Adams Park, starting about 400 feet north of Broadway to Hampshire Street. The deadline to accept the \$350,000 Illinois Capital Grant is in December.

FISCAL IMPACT: The \$350,000 would come from corporate reserves.

<u>AGENDA ITEM</u>: RESOLUTION NO. 23-08, RESOLUTION TO CORPS. OF ENGINEERS ENCOURAGING THEM TO MAINTAIN THE BEACH AT HOGBACK ISLAND: RECOMMENDED APPROVAL

BACKGROUND INFORMATION: Hogback Island is a popular destination for boaters of the area. Boaters and boat club members have events on Hogback Island every year which draw people from as far away as Keokuk, Iowa to the north and St Louis, Missouri to the south. These boaters buy fuel from us at our Art Keller Marina which allows us to maintain our facilities and not become a burden to taxpayers in our community. We would encourage you to place sand on Hogback Island when you dredge in Pool 21 in the future.

Placing the sand from future dredging operations on Hogback Island will revitalize the beach area so boaters may enjoy the island that was once the staple to the local boating community and support Art Keller Marina.

FISCAL IMPACT: None.

<u>STAFF RECOMMENDATION</u>: Staff recommends approval of Resolution No. 23-08, as presented.

BOARD ACTION:

QUINCY PARK DISTRICT RESOLUTION 23-08 RESOLUTION TO CORPS. OF ENGINEERS ENCOURAGING THEM TO MAINTAIN THE BEACH AT HOGBACK ISLAND

WHEREAS, the Quincy Park District is committed to improving the quality of life of its residents; and

NOW, THEREFORE BE IT RESOLVED that:

The Quincy Park District formally requests the U.S. Army Corps of Engineers consider placing sand from dredging operations on Hogback Island in order to revitalize the beach area so boaters may enjoy the island that had become a staple to the local boating community and therefore increase local boating support for the Art Keller Marina.

This Resolution shall be in full force and effect from and after its passage, as provided by law.

STAFF RECOMMENDATION

AGENDA ITEM: ORDINANCE NO. 23-03: AUTHORIZING THE 2023 PROPERTY TAX LEVY

BACKGROUND INFORMATION: In accordance with State of Illinois Statutes, the 2023 tax levy ordinance is being presented to the Board. These proposed levies for 2023 property taxes only include aggregate taxes and <u>not</u> debt service. Aggregate taxes provide tax revenue for general and special operational expenses of the District, as approved by the Board in the fiscal year 2024 budget.

FISCAL IMPACT: This proposed 2023 aggregate tax levy is being presented for Board discussion. This levy, in the amount of \$2,501,099, may increase the District's revenue by \$118,560 and represents a 4.9% tax revenue increase. This is based on the EAV increasing 5.6%. This EAV increase is <u>not</u> expected or anticipated and therefore cannot be used for budgeting purposes. See attached Comparison Tax Levy report "Levy Version".

From a more realistic standpoint, a tax levy for budgeting purposes in the amount of \$2,460,340, may increase the District's revenue by \$77,800, and represents a 3.3% tax revenue increase. This is based on the EAV sufficiently increasing by 3.5%. The District's tax rate would effectively see no change from the 2022 rate which was .31916 while the budgeted 2023 rate would be .<u>31844</u>. See attached Comparison Tax Levy report "Budget Version".

Also, attached is a comparison report of the 2022 actual tax levy versus the 2022 budget figures, showing the difference between what was budgeted for 2023 versus what was actually received in 2023.

STAFF RECOMMENDATION: Staff recommends approval of Ordinance #23-03, as presented.

QUINCY PARK DISTRICT

Board of Commissioners

Date of Board Meeting: November 8, 2022

STAFF RECOMMENDATION

AGENDA ITEM: FISCAL YEAR 2024 OPERATING BUDGET: FOR REVIEW ONLY

BACKGROUND INFORMATION: The instrument for the legal level of authorized spending is established by the District's Budget and Appropriation Ordinance. In the appropriation ordinance, the levels for both revenue and expenses are increased beyond what would normally be expected during the year to account for contingencies such as storms, floods, donations and grants.

The District also prepares a detailed operating budget that is based on the expected revenue and expenses for the fiscal year and provides additional spending details. The operating budget is presented for review only at the November Board meeting and will be presented for adoption at the December Board meeting.

Total FY2024 budgeted revenues are \$10,080,598, up \$3,546,261 from the 2023 budget. Total expenditures for FY2024 are \$13,411,589, up \$5,009,524 from the 2023 budget. Variances in revenues and expenditures from FY2023 to FY2024 vary between funds. See budget comparison report.

Funds deficits of \$3,330,991 are the result of planned spending of revenues and fund reserves to pay for capital projects and represents 32.2% of 12/31/23 cash reserves. See attached list of capital items included in the FY2024 budget. The exception to this is the Marina Fund.

The Marina Fund continues to operate in a streamlined mode. Based on its current budget, revenue does not meet its expenses by \$30,225, including a budgeted transfer from Corporate General in the amount of \$39,225. This does not include expenses of insurance or capital depreciation to cover the annual depletion of assets. The cash balance is projected to be \$0, after the transfer. This does not meet the District's fund reserve policy.

Westview's budget, based on 34,000 rounds, exceeds its revenue by \$186,526. This deficit includes capital expenditures of \$2,247,272 (see attached). This capital spending is not sufficient to meet the annual capital depletion (depreciation). Also, the budget does not cover the annual insurance expenditures of approximately \$30,000. Budgeted capital expenditures are conditional upon sufficient cash reserves. Based on the 2024 budget, cash reserves are projected to exceed the District's fund reserve by \$274,370.

The recreation budget includes new programs, small equipment purchases and capital expenditures of \$60,500 (see attached).

The new minimum wage law requirements have been addressed for all department budgets, at an estimated cost of \$35,000.

Included with this report:

- Operating Budget Capital (Non-bond) projects listing
- Budget Comparison Report
- The FY2024 Budget

<u>FISCAL IMPACT</u>: The operational budget establishes the Board's authorized spending limits for the District according to current District policy.

STAFF RECOMMENDATION: This FY2024 Operating Budget is being presented for <u>review only</u>. The final version will be presented at the December regular meeting for approval.

QUINCY PARK DISTRICT

Board of Commissioners

Date of Board Meeting: November 8, 2022

STAFF RECOMMENDATION

AGENDA ITEM: ORDINANCE NO. 23-05: TENTATIVE COMBINED FY2024 BUDGET AND APPROPRIATION: FOR REVIEW ONLY

BACKGROUND INFORMATION: The governing body of each Park District shall, within or before the first quarter of each fiscal year, adopt a combined annual budget and appropriation ordinance, by which ordinance the Board may appropriate such sum or sums of money as may be deemed necessary to defray all necessary expenses and liabilities of such Park District, and in such annual budget and appropriation ordinance shall specify the objects and purposes for which such appropriations are made, and the amount appropriated for each object or purpose. The District's Budget and Appropriation Ordinance is the instrument that allows the District to receive and spend funds for agency purposes. This ordinance provides for additional flexibility beyond what would normally be expected during the budget year to account for all unanticipated expenditures and revenues contingencies, such as storms, floods & grants.

This ordinance was available, in tentative form, for public inspection on November 8, 2023, for at least thirty (30) days prior to the **scheduled Public Hearing on December 13, 2023**. The Tentative FY2024 Budget and Appropriation Ordinance, along with the Appropriation Comparison Report, are included as a part of this recommendation for your review.

This ordinance is scheduled for official Board action on December 13, 2023 at 6:00 p.m.

FISCAL IMPACT: The Tentative FY2024 Budget and Appropriation reflects \$20,039,385 in expenses and \$15,772,075 in revenues. The capital budget for the upcoming bond issue is not included in this ordinance. Expenses and revenues included in this appropriation are sufficient to meet anticipated financial activity of the FY2024 Budget. Please refer to the attached Appropriation Comparison Report for an overview.

STAFF RECOMMENDATION: This FY2024 Budget and Appropriation Ordinance No. 23-05 is being presented for <u>REVIEW ONLY</u>.

QUINCY PARK DISTRICT

Board of Commissioners

Date of Board Meeting: November 8, 2023

STAFF RECOMMENDATION

<u>AGENDA ITEM:</u> SET INTEREST RATE, AMOUNT OF ANNUAL 2024 G.O. BOND (\$1,300,000) FOR SALE, AND SELF-FUND THE PURCHASE: RECOMMENDED APPROVAL

BACKGROUND INFORMATION: The Board of Commissioners on October 9, 2013 approved an amendment to the District's Investment Policy thereby allowing the District to purchase its own municipal bonds. Since the District is considering "Self-Funding" the upcoming annual G.O. Bond, the next steps in the process are to formally set the interest rate for the bond and determine the amount of the bond sale.

The advantages to the District for "Self-Funding" its annual G.O. Bond are a reduced interest rate for the bond, an increase in investment income, and, since the District does not pay taxes, the annual G.O. Bond issue can be taxable. A taxable bond does not have to comply with the IRS guidelines for tax-exempt issues, i.e.: arbitrage, private use issues, and compliance monitoring.

The Board President at the October 11, 2023 meeting called for a BINA hearing for the intent to sell \$2,500,000 in General Obligation Bonds. The required BINA publication notice was published in the Quincy Herald Whig on October 25, 2023 notifying the public that the required BINA public hearing is scheduled to be conducted at the beginning of the November 8, 2023 meeting.

The Board of Commissioners approved at its regular meeting on October 11, 2023 capital projects in the amount of \$1,403,000. \$1,300,000 will be funded by the District's annual 2024 GO Bond and \$103,000 will be funded from 2023 GO Bond rollover proceeds.

Attached you will find a recent underwritten or rated bond issue through the auction services of Speer Financial, Inc. This one is very comparable to the Quincy Park District's proposed bond issue in that it is a small taxable issue. I did notice that the volume of bonds auctioned are much lower.

Currently, the rate curve is inverted. The market, in anticipation of the Fed's raising interest rates, has raised short-term rates. In the short-term, rates may be even higher.

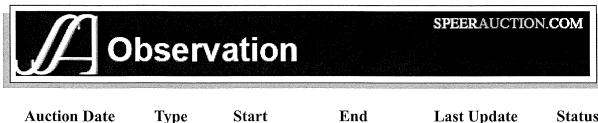

The 2024 General Obligation Bond Ordinance is scheduled to be presented to the Board of Commissioners for approval at its regular meeting on December 13, 2023.

<u>FISCAL IMPACT</u>: The District could realize a lower interest rate on the bond amount to be issued.

STAFF RECOMMENDATION: Staff recommends approval for the District to have bond documents prepared by the District's bond counsel, Chapman & Cutler, LLP, for the issuance of TAXABLE General Obligation Bonds in the amount of \$1,300,000 for funding the approved projects, to issue the bonds at 4.50% interest rate, and to purchase the bond issue.

Attached you will find a recent underwritten or rated bond issue through the auction services of Speer Financial, Inc. This one is very comparable to the Quincy Park District's proposed bond issue in that it is a small taxable issue. I did notice that the volume of bonds auctioned are much lower.

Currently, the rate curve is inverted. The market, in anticipation of the Fed's raising interest rates, has raised short-term rates. In the short-term, rates may be even higher.

The 2024A General Obligation Bond Ordinance is scheduled to be presented to the Board of Commissioners for approval at its regular meeting on December 13, 2023.

<u>FISCAL IMPACT</u>: The District could realize a lower interest rate on the bond amount to be issued.

STAFF RECOMMENDATION: Staff recommends approval for the District to have bond documents prepared by the District's bond counsel, Chapman & Cutler, LLP, for the issuance of TAXABLE General Obligation Bonds in the amount of \$1,100,000 for funding the approved projects, to issue the bonds at 4.50% interest rate, and to purchase the bond issue.

AGENDA ITEM: 2024 INDIAN MOUNDS POOL FEES: RECOMMENDED APPROVAL

BACKGROUND INFORMATION:

Indian Mounds Pool

Below is a historical comparison of Indian Mounds Pool fees.

In 2023 a \$3.75 daily admission fee and season passes of \$45.00 for individuals and \$95.00 for a family for the 2023 season. This would be an increase of a \$.25 in admission fees and a \$5.00 increase in season passes. All other fees remain the same price. No financial assistance would be used for IMP fees.

No increase in fees for 2024. Eliminate the family season pass and no financial assistance would be used for IMP fees.

• We are recommending continuing our Excessive Heat Warning Policy for the pool. When the National Weather Service issues an Excessive Heat Warning for Quincy the cost of admission will be \$2.00 during this period. An excessive heat warning is when the heat index is going to be 105 degrees for at least two consecutive days. The heat index is the actual temperature and humidity combined.

• We are recommending approval to have special promotional days at the pool to boost attendance and revenue. On these days we would have special admission rates and concession specials.

The hours of operation, Monday-Friday 11:00 am–5:00 pm and Saturday and Sunday 11:00 am-6:00 pm will remain the same.

FISCAL IMPACT: No fiscal impact.

STAFF RECOMMENDATION: Staff recommends approval of the Indian Mounds Pool fees as presented.

AGENDA ITEM: 2024 SHOWMOBILE FEES: RECOMMENDED APPROVAL

BACKGROUND INFORMATION:

In 2012, we changed the fees to have a "no stage extension rate" and a "with stage extension rate". It takes less staff to do the labor for the "no stage", and thus the difference in fees.

A \$25 increase in each fee category was approved in 2020.

A \$25 increase in all categories is recommended for 2024.

AGENDA ITEM: 2024 FINANCIAL ASSISTANCE PROGRAM: RECOMMENDED APPROVAL

BACKGROUND INFORMATION: The scholarship program started by the Park District in 1995 provides financial assistance to residents unable to pay for leisure time activities. Attached to this report is a five-year history of the value of assistance and number of participants.

In 2018, eligibility was simplified and expanded to include those receiving food stamps from the Illinois Department of Human Services. All recipients received 75% off all programs.

In 2023, the District gave out scholarships as follows: \$18 Batting Cage Activities and \$952 Programs.

The recommendation is to continue to determine eligibility by those receiving food stamps from the Illinois Department of Human Services for programs and activities. In addition to the IDHS eligibility, the District will offer 100 vouchers for families that do not currently utilize food stamps. Eligibility will be based on the Quincy Housing Authority's Section 8 income guidelines and offer the same 75% off all programs.

Staff plans to allocate and budget scholarship funds as follows:

| • | Programs | \$4,500 |
|---|-------------------------|---------|
| ٠ | Batting Cage Activities | \$500 |
| ٠ | Pool | \$0 |

FISCAL IMPACT: \$5,000 is being budgeted for FY2024.

STAFF RECOMMENDATION: Staff recommends approval of \$5,000 for FY2024 budget.

AGENDA ITEM: 2024 ATHLETIC SURFACE RENTAL FEES: RECOMMENDED APPROVAL

BACKGROUND INFORMATION:

A fee for Pepsi Turf Field was added in 2016.

A fee for the Avenue of Lights Turf Field and Sand Volleyball Courts was added for 2019.

A \$10 increase was approved for 2020 and a \$40 increase was approved for 2021.

After discussing with potential tournament renters, staff recommended a gradual increase over two years. In 2021 the increase in the fee was \$40, and then in 2022, the increase was an additional \$30. The turf field rental fee in 2021 was \$170 and increased to \$200 in 2022. The four-hour rate was \$100. Now that the Park District has three turf fields, there should be an increase in tournament activity. The increased rate helped cover the extra maintenance of the fields due to the increased activity.

For 2023, staff recommends a \$25 increase in the turf field all day rate and the four hours or less rate. A \$5 increase in all the other rates for fields and lights. This will help cover the extra cost of repairs to the fields due to the increased use.

For 2024, staff recommends a \$10 increase in the turf fields (Avenue, Blessing, Pepsi) all day rate and the four hours or less rate. Wavering turf fields a 25% decrease in turf field rates due to no lights on field. A \$5 increase in all the other rates for fields. No increase in use of lights fee. This will help cover increase in expenses and upkeep of the fields. Also adding a fee for the Paul Dennis Soccer Complex. \$100 per field for all day rate and four hours or less rate of \$50.

A special event packet would need to be completed for all rentals and insurance would need to be provided for any of our athletic fields.
